Objective

A team leader of ICT with more than ten years of experience in IT sector. Currently serves as Manager - ICT for a reputed NGO in Bangladesh named "Caritas Bangladesh". I am an experienced and motivated, accomplished in delivering secure resilient systems on time and budget to meet organizational needs. I'm an adaptable and efficient team player of an organization with excellent communication skills at all levels. I'm looking for a role where I can develop my skills further, researching new technologies and reveling in new challenges as well as good opportunities to develop a strong IT team with excellent working environment. Previously worked as a Network and System Engineer with Doreen Attire Limited, sister concern of Siddique Group of Industries.
